The Learning Assessment & Neurocare Centre is an independent, multi-disciplinary clinic in Horsham, West Sussex and Central London. It specialises in the diagnosis and management of children, adolescents and adults with complex neurodevelopmental difficulties, especially AD/HD and related conditions including Asperger's Syndrome, specific learning difficulties, dyslexia, Tourette Syndrome and emotional and behavioural problems.

Presentations shall include:
Understanding ADHD, the LANC, neurofeedback and as well as an opportunity to talk to our professionals.

Speakers will include:

Dr Geoff Kewley, Consultant Paediatrician & Physician
Mrs Pauline Latham, Centre Manager
Dr Neil Rutterford, Chartered Psychologist

If you wish to attend or would like more information, please contact us on 01 403 240002 or info@lanc.uk.com

Nearest tube station is East Acton.
Bus number 70 stops at "King Fahad Academy"; other buses passing near by are 72, 283, 7; buses stopping at Bromyard Avenue are: 266, 272, 270.
For those coming by car, there will be some parking available inside the premises but this may be limited.

This event is free of charge
